[Unpuzzling Your Past](#) Mar 13 2021 Originally published: Cincinnati, Ohio: Betterway Books, 2001. 4th ed.

The Family Reunion Sourcebook Jan 29 2020 Discusses how to successfully plan and prepare a family reunion, with advice on name tags, decorations, music, and contingency plans Archival Information Nov 08 2020 From original manuscripts and letters to sound recordings and birth certificates, archival information plays an increasingly important role in modern research. Libraries and the Internet have made finding information on a wide range of topics faster and easier, but not all information—particularly from primary sources—is available via local library branches or online resources. Using archival information presents its own challenges. Materials are often located in many different places: public or academic libraries, government agencies, historical societies, or museums. They are usually kept in secured areas where the public is restricted from browsing. This definitive guide shows novice and experienced researchers how to find archival information. It provides tips on how to use archival materials effectively and efficiently. Topics covered include government archives, science and technology collections, military archives, genealogical records, business and corporate archives, performing arts archives, and sports collections. Also provided is an overview of the world of archives, including archival terminology, how to contact archives, and archival etiquette. Whether searching for a noted author's original manuscripts, trying to locate presidential papers, or tracking down a repository of oral histories, Archival Information is an indispensable reference.

[Virginia Valley Records](#) Jul 17 2021 "This volume is largely a source book of genealogical and historical materials, compiled from the public records of Rockingham, Augusta, Greenbrier, Wythe, Montgomery and other counties of Virginia, with valuable contributions from various other parts of the United States"--Preface.

Asian American Genealogical Sourcebook Oct 27 2019 This text provides historical genealogical information on Asian Americans. The book looks specifically at their emigration history and genealogical records, and features a directory of genealogical information.

[Bond Genealogy](#) Apr 01 2020

[Ancestors and Relatives](#) Feb 09 2021 Noted social scientist Eviatar Zerubavel casts a critical eye on how we trace our past-individually and collectively arguing that rather than simply find out who our ancestors are from genetics or history, we actually create the stories that make them our ancestors.

Genealogy as Pastime and Profession Apr 25 2022 A classic examination of the materials, techniques, and cultural, sociological, and professional aspects of genealogy

Librarian's Genealogy Notebook Mar 01 2020 The Librarian's Genealogy Notebook includes the most concise and useful information on where to begin your search for genealogical records.

Ethnic Genealogy Mar 25 2022 "[This work] will be useful to librarians, to genealogists, and to persons searching American Indian, Asian-American, black American, and Hispanic-American ancestries. . . . Family researchers or librarians will find this comprehensive, user-friendly work invaluable." Reference Books Bulletin

[Ancestral Trails](#) Sep 18 2021 Researching family history involves the study of many subjects. The starting point is genealogy, the study of individuals' descent and relationships. But where does the ancestral trail begin and how do the many different trails come together to form a coherent picture of past generations and their links to the present-day researcher?

[The Sleuth Book for Genealogists](#) Jun 23 2019 Originally published: Cincinnati, Ohio: Betterway Books, 2000.

Printed Sources May 27 2022 "While most genealogy books focus on original records and primary sources, this title focuses on secondary sources that have proliferated because of the growth of genealogy. It identifies and explains the vast number of published genealogical sources, acting both as a guidebook and a bibliography to the printed material in the field. The introduction alone is a treasure trove of information, and should be called Genealogy Sources 101. Coverage includes encyclopedias, gazetteers, indexes, abstracts, histories, biographies, military sources, periodicals, and much more. Appendices include CD-ROMs for family historians, major genealogical libraries in the United States, and a list of genealogical publishers and booksellers. This monumental source is highly recommended in all libraries for the beginner or expert "--"Outstanding Reference Sources : the 1999 Selection of New Titles", American Libraries, May 1999. Comp. by the Reference Sources Committee, RUSA, A.L.A.

[The 1995 Genealogy Annual](#) Aug 25 2019 The Genealogy Annual is a comprehensive bibliography of the year's genealogies, handbooks, and source materials. It is divided into three main sections. FAMILY HISTORIES-cites American and international single and multifamily genealogies, listed alphabetically by major surnames included in each book. GUIDES AND HANDBOOKS-includes reference and how-to books for doing research on specific record groups or areas of the U.S. or the world. GENEALOGICAL SOURCES BY STATE-consists of entries for genealogical data, organized alphabetically by state and then by city or county. The Genealogy Annual, the core reference book of published local histories and genealogies, makes finding the latest information easy. Because the information is compiled annually, it is always up to date. No other book offers as many citations as The Genealogy Annual; all works are included. You can be assured that fees were not required to be listed.

[Genealogy 101](#) Sep 26 2019 A recent Maritz Poll reported that 60% of Americans are interested in their family history. And with good reason. Through genealogy, you can go back into history to meet people who have had more influence on your life than any others -- your ancestors. And the better you get to know your ancestors, the better you will get to know yourself: the who's and what's and why's of you. Barbara Renick, a nationally-known lecturer on genealogy, tells the uninitiated researcher the steps needed to find out who their ancestors really were, and brings together for even the more experienced genealogical researchers the important principles and practices. She covers such topics as the importance of staying organized and how to go about it; where and how to look for information in libraries, historical societies, and on the internet; recognizing that just because something is in print doesn't mean it's right; and how to prepare to visit the home where your ancestors lived. Genealogy 101 is the first book to read when you want to discover who your ancestors were, where they lived, and what they did.

[Black Roots](#) Dec 10 2020 Trace, document, record, and write your family's history with this easy-to-read, step-by-step authoritative guide. Finally, here is the fun, easy-to-use guide that African Americans have been waiting for since Alex Haley published Roots more than twenty-five years ago. Written by the leading African American professional genealogist in the United States who teaches and lectures widely, Black Roots highlights some of the special problems, solutions, and sources unique to African Americans. Based on solid genealogical principles and designed for those who have little or no experience researching their family's past, but valuable to any genealogist, this book explains everything you need to get started, including: where to search close to home, where to write for records, how to make the best use of libraries and the Internet, and how to organize research, analyze historical documents, and write the family history. THIS GUIDE ALSO INCLUDES: real case histories that illustrate the unique challenges posed to African Americans and how they were solved more than 100 illustrations and photographs of actual documents and records you're likely to encounter when tracing your family tree samples of all the worksheets and forms you'll need to keep your research in order a list of the traps even experienced researchers often fall into that hamper their research

[Family Pride](#) Sep 06 2020 A guide to researching African American family history and genealogy explains how to overcome the lack of written records, explores a range of available resources, and offers step-by-step instructions on how to conduct an effective search

[Native American Genealogical Sourcebook](#) May 03 2020 This text provides historical genealogical information on Native Americans. The book looks specifically at their emigration history and genealogical records, and features a directory of genealogical information.

Hispanic Surnames and Family History Oct 20 2021 A comprehensive analytical work on Hispanic surnames and an extensive bibliography of family histories. This is not a study of surnames or family history in Spain per se. Rather it is a review of the development of Spanish surnames in Latin America and the Hispanic United States, with references to the availability of surname studies in Spain, found in the appendices and in a few cases in the bibliography.

[Guide to Reference in Genealogy and Biography](#) Jul 05 2020 Profiling more than 1400 print and electronic sources, this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography.

Tracing Ancestors Among the Five Civilized Tribes Jan 11 2021

[You Can Write Your Family History](#) May 15 2021

[Bringing Your Family History to Life Through Social History](#) Dec 30 2019 Katherine Scott Sturdevant shows you how to use social history -- the study of "ordinary people's everyday lives" -- to add depth, detail, and drama to your family's saga. Book jacket.

[A History of Caroline County, Virginia](#) Dec 22 2021

[The Source](#) Jul 29 2022 Genealogists and other historical researchers have valued the first two editions of this work, often referred to as the genealogist's bible. The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources, The Source also functions as an instructional tool for novice

genealogists and a refresher course for experienced researchers. More than 30 experts in this field--genealogists, historians, librarians, and archivists--prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black-and-white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find. ""

Encyclopedia of German-American Genealogical Research Apr 13 2021

The Hidden Half of the Family Aug 30 2022 Offers information on finding female ancestors in each state, highlighting those laws, both federal and state, that indicate when a woman could own real estate in her own name, devise a will, and enter into contracts. In addition, entries contain information on marriage and divorce law, immigration, citizenship, passports, suffrage, and slave manumission. Material is included on African American, Native American, and Asian American women, as well as patterns of European immigration. Period covered is from the 1600s to the outbreak of WWII. Annotation copyrighted by Book News, Inc., Portland, OR

Applied Genealogy Nov 20 2021 Next time someone claims all religions teach the same basic truths, how will you respond? Here's the factual support you need to defend the primacy of Christ and counter the assertions of Buddha, Krishna, Bahaulah, and Zoroaster. Easily accessible, absorbing answers to the tough questions searching minds are likely to ask.

A Sourcebook for Genealogical Research Jan 23 2022 Genealogists can sometimes require obscure resources when in search of information about ancestors. Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking. Many of the best resources are maintained regionally or even locally, and aren't widely known. This reference work serves as a guide to both beginning and experienced genealogy researchers. The sourcebook is easily accessible and usable, featuring approximately 270 entries on all aspects of genealogical research and family history compilation. The entries are listed alphabetically and cross-referenced so any researcher can quickly find the information he or she is seeking. Each state and each of the provinces of Canada has its own entry; other countries are listed under appropriate headings. The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births, deaths, marriages, or other life events in order to complete a family tree.

Basics of Genealogy Reference Jul 25 2019 Offers a reference for librarians faced with helping patrons who want to conduct genealogy research.

The Genealogy Sourcebook Nov 01 2022 Explains how to use available sources and resources to trace one's lineage, offering actual case studies to demonstrate how the research is conducted and organized

A Family Affair Aug 18 2021 Whether planning a small annual get-together or a once-in-a-lifetime gathering of hundreds, *A Family Affair* is a step-by-step guide to the planning, promotion, execution and documentation of the best family reunion ever. Filled with hundreds of practical and specific instructions, *A Family Affair* carefully guides the reader through: The steps to set up a family reunion (establishing a purpose and budget, contacting relatives, planning the place and time). Making people aware of it (by snail mail, e-mail, and phone; dealing with grumpy uncles). Running the reunion (kids, food, events, and pictures). Following up with memories that participants will treasure (pictures, stories, and more). The book is arranged in logical step-by-step sequence. There are checklists and forms to simplify the paperwork, websites and other references for further information on topics of special interest, and tips from others who have held successful reunions.

Guide to Naturalization Records of the United States Nov 28 2019

Organizing Your Family History Search Aug 06 2020 Tells how to create a family history filing system, prepare for research trips, set up a home office for genealogical work, and preserve one's findings

African American Genealogical Sourcebook Sep 30 2022 Gale has launched another new project--Genealogical Sourcebook series--and the first volumes look promising. The remaining volumes on Asian Americans and Native Americans will be published this summer. Libraries can order all four volumes for \$239 (0-8103-8541-4). Part 1 of each volume consists of informative essays on immigration and migration, basic genealogical methods and resources, and problems specific to ethnic genealogy--such as naming practices, the reuse of graves where families could not afford perpetual sites, and reasons for deliberate falsification of records. Explanations and tips on accessing records specific to these groups, such as those of the Freedmen's Bureau and the Inquisition, records of religious orders, and an overview of newspaper ads and Hispanic heraldry are instructive and pragmatic. Tables, examples, and an extensive bibliography are included. Part 2, 'Directory of Genealogical Information,' lists libraries and archives, public and private organizations, print resources, and other media that 'hold materials relevant to genealogists whether their focus is on genealogy in general or on a specific ethnic group.' Libraries and archives are listed geographically; those outside the U.S. are in Canada for African Americans, and in Guatemala, Spain, Mexico, Argentina, Peru, Uruguay, Venezuela, Cuba, Chile, Colombia, Ecuador, and Canada for Hispanic Americans. There are surprisingly few listings for Florida, which has a substantial Hispanic population. Private and public organizations include commercial ventures (publishers, researchers for a fee, bookstores) and nonprofits (genealogical societies, the American Antiquarian Society, etc.). The section entitled 'Print Resources' lists many sources from the 1980s, but there are also current publications. The author and title-organization indexes access only the products and sources listed in part 2. The subject index accesses the essays in part 1. Libraries that hold books such as George R. Ryskamp's *Tracing Your Hispanic Heritage* (1984) will want to keep them for their scholarly thoroughness. They will want to add these new books for their relative currency and for their simpler explanations of complicated facets of black and Hispanic culture.--BL 05/15/1995.

Map Guide to the U.S. Federal Censuses, 1790-1920 Jun 03 2020 Genealogical research in U.S. censuses begins with identifying correct county jurisdictions ??o assist in this identification, the map Guide shows all U.S. county boundaries from 1790 to 1920. On each of the nearly 400 maps the old county lines are superimposed over the modern ones to highlight the boundary changes at ten-year intervals. Accompanying each map are explanations of boundary changes, notes about the census, & locality finding keys. In addition, there are inset maps which clarify ??erritorial lines, a state-by-state bibliography of sources, & an appendix outlining pitfalls in mapping county boundaries. Finally, there is an index which lists all present day counties, plus nearly all defunct counties or counties later renamed--the most complete list of American counties ever published.

Researching Scots-Irish Ancestors Oct 08 2020 One of the greatest frustrations for generations of genealogical researchers has been that reliable guidance on sources for perhaps the most critical period in the establishment of their family's links with Ulster, the period up to 1800, has proved to be so elusive. Not any more. This book can claim to be the first comprehensive guide for family historians searching for ancestors in 17th- and 18th-century Ulster. Whether their ancestors are of English, Scottish or Gaelic Irish origin, it will be of enormous value to anyone wishing to conduct research in Ulster prior to 1800. A comprehensive range of sources from the period 1600-1800 are identified and explained in very clear terms. Information on the whereabouts of these records and how they may be accessed is also provided. Equally important, there is guidance on how effectively they might be used. The appendices to the book include a full listing of pre-1800 church records for Ulster; a detailed description of nearly 250 collections of seventeenth- and eighteenth-century estate papers; and a summary breakdown of the sources available from this period for each parish in Ulster. William Roulston is Research Officer with the Ulster Historical Foundation.

Reunion Jun 15 2021 An anonymous letter, found at the bottom of a box of black-and-white pictures, reveals the first clues about the author's grandmother's family story, and soon those clues lead him to a country graveyard and a long-lost cousin. As one hint leads to the next, from the 19th century back into the 18th, he discovers his family's place in a people's tragic struggle.

Hidden Sources Feb 21 2022 Family history researchers are accustomed to searching among vital records, censuses, and other commonly used sources. But there are any number of more-obscure sources that can lead researchers to vital information, and *Obscure Sources: Great Clues in Hidden Places* will introduce you to them. Bankruptcy records, special censuses, employment records, and coroners' records are only a few of the kinds of records you can turn to when other sources prove unfruitful. *Obscure Sources* is an overview of a large number of sources that are often overlooked. It discusses where these records can be found, offers some options for locating these records through the Internet, and provides a selected bibliography of background information and methodology.
